

Schedule of prices and services

The DÜPERTHAL connect application is available in three different versions. The functions are the same in all packages, differences in the versions are the number of users (team members) and the available storage capacity.

Package „Starter“

The "Starter" package offers 3 users access to the DÜPERTHAL connect application. One of the users is the account owner and has access to all authorizations and functions. The other two users can be assigned the status "Admin" or "User", each with reduced authorizations.

A volume of 1 GB is available in the data storage.

Price: free of charge; you will receive advertisements for possible upgrades to the "Team" and "Advanced" packages when using the application in this package.

Package „Team“

The "Team" package provides 6 users with access to the DÜPERTHAL connect application. One of the users is the account owner and has access to all authorizations and functions. The other users can be assigned the status "Admin" or "User", each with reduced authorizations.

A volume of 50 GB is available in the data storage.

Price: 159,- EUR / month

Note: You can test the "Team" package for 30 days free of charge. If you do not opt for a paid package ("Team" or "Advanced") within the first 30 days, you will automatically be downgraded to the "Starter" package. Please note that in the "Starter" package the number of possible users as well as the available data storage is lower.

Package „Advanced“

The "Advanced" package offers 26 users access to the DÜPERTHAL connect application. One of the users is the account owner and has access to all authorizations and functions. The other two users can be assigned the status "Admin" or "User", each with reduced authorizations.

A volume of 200 GB is available in the data storage.

Price: 895,- EUR / month
